

Do you have questions about your
neuroendocrine tumor?

Visit The NET Community at www.TheNETAlliance.com for medical information, patient support, and information from experts in the field.

Brought to you by Novartis Oncology, The NET Community is dedicated to helping you learn about neuroendocrine tumors (NETs) and become engaged with your care. This website offers valuable articles and educational videos to enhance your understanding of the disease. Plus, you can join The NET Community and connect with other NET patients like you.

Learn About NETs. Tell Your Story. Become a Member.
